Canadian Cancer Society

2nd June, 2011

Dear Nicola Romaniuk,

The Science Club and Human Rights Club at Princess Margaret Secondary School, Surrey wish to donate

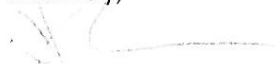

\$ 1001.00 to the Canadian Cancer Society. The club members recognize the importance of the hard work that the Cancer Society does to help the cancer patients. The clubs raised this money in the hope of raising cancer awareness.

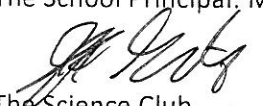

The Science Club and Human Rights Club organized the fundraiser under their "Daffodil Campaign". It included the following three activities:

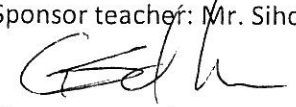

- General donations accepted for the daffodil pins
- Food sales conducted at the school
- Canucks Jersey Raffle conducted at the school

This fundraiser was a sincere effort made by the Princess Margaret students to raise awareness about the deadly effects of cancer in the society. They wanted to emphasize to their peers that they can come together as a community to help raise money for a good cause.

Sincerely,

Princess Margaret Secondary School Administration
