To Whom It May Concern,

The Human Rights Club at Princess Margaret Secondary School wishes to donate \$308.39 to the Surrey Food Bank. The Human Rights Club recognizes the importance of the hard work that the Surrey Food bank does to help the community. The Human Rights Club raised this money in the hope of helping their community and helping those in need.

The Human Rights Clun raised money with the use of bake sales. During the fundraising they not only raised money, but also raised awareness of poverty in their school. They felt it is important to bring awareness to this issue in our community. They wanted to emphasize to their peers that we can come together as a community to help.

Sincerely,

A handwritten signature in blue ink, appearing to read "H. Khosa". The signature is written in a cursive style and is positioned above the typed name.
